People and Processes

Scholarly Activity and Innovation
SCHOLARLY ACTIVITY AND INNOVATION
Goal

We will support, communicate and celebrate a dedicated culture of scholarly activity at UNT to expand UNT’s innovative impact for our students and the world around us.

• We will pursue moving up in Tier 1 “our way,” by creating a research and innovation community where all areas and people can excel
• Strengthen and highlight our innovative culture
Metrics

5-year goals

• Research expenditures: NSF HERD from $74M to $100M
• Scholarly activity: Suite of measures of student and faculty scholarly activity — TBD
• Doctoral Students: Increase from 260 to 300 graduates
Continuing our Climb
Tier One, Our Way

As we move up, it doesn’t mean we are going to become just like everyone else. We are going to continue to excel as a comprehensive university building strengths in the arts, humanities, social sciences, professional programs and STEM disciplines, and celebrate the creativity our campus is so well known for.
CHANGING OUR CULTURE:
PEOPLE AND PROCESSES
Goal

We will attract, develop and celebrate our campus community members to make UNT an outstanding environment to work and learn.

• Work together to improve our processes, build customer service, and communicate our successes
• Increase enrollment at our Denton and Frisco campuses
• Decrease time to graduation
• Become a best place to work
People and Processes - Metrics

5-year goals

• Student pathway success indicators: Suite of metrics
• Advancement: Increase gifts and pledges to $40M
• UNT culture and faculty and staff engagement: Gallup scores
• Student financial health: Limit student debt
• Faculty and staff retention: TBD
